St Petersburg, 8/2 1848. - Thanks for kindly letter, criticism  
"Revue. Zeitung"! Splendid, I never read such an  
article. - I wish and hope Nathleen quite alright now.  
I am horribly tired and annoyed with all my concerts,  
tournees, lessons, Councils at the Conservatory; sometimes  
Evening and Dinner Parties, but still, in good health  
and energetic. - Next Wednesday my first and the 5<sup>th</sup>  
my second concert here; the 5<sup>th</sup> at Moscow; between ~~the~~  
13 February, two concerts at the Province and stop! -  
nothing till London. - I send you a letter a week ago  
Copenhagen, Hol. Bogman. - Best love! Yours  
L. Ruy
